REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

While Affaticati et al. shows a sortation system comprising a sorter with a continuous member defining a plurality of transport positions, a plurality of sort destinations for receiving product from the sorter, an induction system with two induction units and a control that determines a gap between products in the induction system, the control in Affaticati et al. does not decrease the speed in the induction unit that is not discharging to the continuous member in response to the other induction unit discharge product to the continuous member irrespective of a gap between products or utilize a recirculation line leading to the receiving end of the induction units for recirculating product discharge to the continuous member with insufficient gap between products as required by the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark A. Deuble whose telephone number is (703) 305-9734. The examiner can normally be reached on Monday through Friday except for alternate Fridays.
